Curriculum Intent													
<ul style="list-style-type: none"> • Provide the best education possible for all children in a warm and caring environment that enables every child to reach their full potential through a broad and balanced curriculum. • Enable children to become independent creative critical thinkers who are resilient, tolerant and respectful of others. • Ensure that every child feels safe, happy and valued. • Encourage investigation and enquiry, where there are no limits to curiosity and there is a thirst for new experiences and knowledge. • Ensure that our curriculum reflects the diversity in our school. We want a curriculum that includes, celebrates everyone and encourages them to make their own unique contribution to our school and the world. • Raise aspirations for all learners within our school community through a range of inspirational teaching and learning experiences and opportunities. • Involve the community by inviting families and visitors to facilitate learning new skills and sharing experiences such as assemblies, curriculum outcomes and other enrichment days, so that children leave Holy Cross with a sense of belonging to a tightly knit community where they have the confidence and skills to make connections and become lifelong learners. 													
Curriculum Implementation													
<p>We will achieve our intent by...</p> <ul style="list-style-type: none"> • Providing quality first teaching, removing barriers to children's learning in order for all pupils to reach their full potential and make the progress they deserve to make. • Use our learning skills, British values and Christian values in order to rise to challenges, be creative, independent, resilient and respectful • Use an inquiry based approach to our curriculum in order to support our pupils to be inquisitive individuals that are curious about the world around them to inspire them to find ways of seeking answers to these questions. Through this children will gain a thirst for knowledge and a love of learning. • Arrange visits, trips and visitors into school to raise the cultural capital of our curriculum offer. Providing pupils with a range of learning experiences that will open doors and raise hopes and aspirations for the future. • Use our local, national and global community links in order to enrich the school experiences of our children to help support gaining new knowledge and new skills. 													
Curriculum Impact													
<p>Pupils leave Holy Cross Primary School with a secure understanding of the academic content; with the understanding of how to be socially, morally, spiritually and culturally responsible and aware; how to make positive contributions to the local, national and global community and how to endeavour to be the best that they can be. We aim for all of our children to leave Holy Cross respectful, skilful, ambitious young people and with a thirst for life and all it has to offer.</p>													
Learning Skills													
I think about what I have done	I am a Team player	I am creative	I think for myself	I try to do it myself	I am good at joining in								
Curriculum influencers													
Spirituality  <p>At Holy Cross we want our pupils to know who they are as individuals. To develop their own beliefs about the world and gain an understanding of others beliefs and values. This will enable our young children to go out into the world with a sound knowledge, understanding and tolerance of others.</p>				Community and citizenship  <p>At Holy Cross we know and understand the importance of being good citizens. We want our children to become good citizens for their local, national and global communities. We do this by having a sound understanding of our Christian values but also the sound knowledge that everyone is different and that is what makes our world a special place/.</p>				Future possibilities  <p>At Holy Cross we want nothing less than giving our pupils every chance to succeed, now and in the future. We want our children to have the highest of expectations of themselves and each other to spur each other on and to aim high and reach their full potential. We want our children to go out ready and raring to take on the challenges of the 21st Century. We want them skilled physically, emotionally, mentally and academically ready to be competitive with others in the world</p>					
Our school vision													
<p>God made us all unique to learn, live and grow, to show good citizenship to all, to be the best we can possibly be. Showing Christ's love in all that we do</p>
