

Traditional Tales

Year 1 - Term 3

Maths

Our maths blocks this term are:

- Place Value (within 20)
- Addition and Subtraction (within 20)

DT

This term we will be focussing on cooking and nutrition and will be making fruit smoothies!

Geography

Our topic this term is 'where does food come from?' We will look at maps to locate different places around the world and will grow different types of food.

Computing

We will be introduced to early programming concepts. We will explore using individual commands, both with other classmates and as part of a computer program. We will identify what each command for the floor robot does, and use that knowledge to start predicting the outcome of programs.

SMSC FBV (PSHE)

We will continue to use the SCARF resources for PSHE. Our theme for the term will be *Me and My Relationships*. We will be learning about feelings, friendships and listening skills. We will be learning how to resolve conflict, and how to give and receive positive feedback.

English

Our writing this term will be based on the text 'Jim and the Beanstalk' by Raymond Briggs. We will be writing setting and character descriptions that will help us produce fiction and non-fiction pieces of work.

We have started to introduce the children to connecting words to make their writing longer but our focus remains on letter formation, general presentation and the correct use of capital letters and full stops.

Science

Our topic this term is Animals Including Humans. We will be focusing on the following areas:

- Identifying and naming common animals including fish, amphibians, reptiles, birds and mammals.
- Identifying and naming carnivores, herbivores and omnivores

P.E

This term we will be focussing on football skills. We will be focussing on coordination and movement, ball control and dribbling.

RE: Galilee to Jerusalem

Key Vocabulary

Presentation	Temple
mission	Son of God
light	Candlemas
