

Holy Cross behaviour policy:

Our school is a place where:

- we feel safe.
- everyone feels respected.
- everyone is treated equally.
- we have lots of fun.
- we keep our hands to ourselves.
- we have a calm learning environment.

This policy is **important** to us because it helps us keep everyone safe. It means everyone is able to learn in a happy and calm environment. It reminds us how to behave in school.

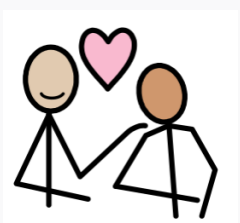

If we don't behave appropriately, we will:

- be given warnings.
- be sent to Mrs Kingston.
- have a phone call home.
- be given time out.

When we behave appropriately we receive:

- learning award certificates.
- citizen certificates.
- dojos points.
- end of term treats.
- always play.
- stickers

We also get to show our work to Mrs Kingston.

Treat others as you would want to be treated.
