Newsletter – 25/11/2022

This week:

Today the children took part in dance workshops to celebrate Diwali. They had so much fun in the workshops and enjoyed presenting to their parents before the end of the day.

This week we had 2 class trips. Year 4 went to the Wessex Water site in Saltford where they had further learning on the water cycle. Year 6 walked to the Galleries as took part in a workshop celebrating what refugees and migrants bring to their new communities.

This morning Y1 presented their class assembly to the school and their parents. They acted out the story of the Snail and the Whale and shared all the lovely things we have been learning in year 1.

Congratulations to Miss Ormsby who has welcomed her Son, Leo Anthony in to the world. We send her, John and Izzy our love and look forward to meeting Baby Leo.

Support for Families:

- The rising cost of living is impacting people across Bristol in different ways. To help support people most impacted, including those who have not faced financial challenge before, the council has a cost of living support webpage: www.bristol.gov.uk/costofliving
- It provides advice and guidance on topics including housing, benefits and financial help, employment and skills, mental health and wellbeing, and provides links to useful websites and community organisations. It also includes information on the city's network of Welcoming Spaces where people can meet up, socialise, keep warm and access support relating to the cost of living crisis. There are now 37 spaces open in the city.
- Our Citizen Service Point, located at 100 Temple Street, BS1 6AG, is also on hand if you need help using the council's services or need access to a computer. The opening hours are Monday, Tuesday, Thursday and Friday 9am to 5pm, Wednesday 10am to 5pm. The service is closed on bank holidays.
- You can also call the We Are Bristol phone line on 0800 694 0184, Monday to Friday 8.30am to 5pm

Free Childcare places for 2-year olds in Bristol:

There are hundreds of free early education and childcare places available in Bristol for two-year-olds. Funding is available for two-year-olds to receive up to 15 hours per week of free childcare at a range of early year providers, including Children's Centres, nurseries, pre-schools, playgroups and childminders. The rising cost of living is affecting a huge number of people across Bristol. With childcare costs also increasing, we want to make sure that families are getting the help and support they need. If you are a parent or carer of a two-year-old and you receive one of the following benefits, you could be entitled to a free place for your child:

- Income Support
- income-based Jobseeker's Allowance (JSA)
- income-related Employment and Support Allowance (ESA)
- Universal Credit, and your household income is £15,400 a year or less after tax, not including benefit payments
- child tax credits, and your household income is £16,190 a year or less before tax
- the guaranteed element of Pension Credit
- the Working Tax Credit 4-week run on (the payment you get when you stop qualifying for Working Tax Credit)
- [Visit the Bristol City Council website to find out more about the eligibility criteria and to apply online.](#)

Bristol Welcoming Spaces:

The first of Bristol's Welcoming Spaces are now open. As the cost of fuel and food continues to rise, a network of warm, Welcoming Spaces has been set up for people to go to, to alleviate cost of living pressures this autumn and winter. Each venue will be responding to community priorities which means what happens in each space will vary, but is likely to include wi-Fi, access to electrical charging points, activities and community meals. There will also be support and practical advice provided by city-wide organisations. More information about Welcoming Spaces and where to [find your nearest one is available on the Bristol City Council website](#). More spaces will be added over the coming weeks. If you need advice or guidance for yourself or someone you support, [we have also launched a cost of living support hub](#) on the Bristol City Council website. The cost of living support hub is a useful directory to access information on housing, bills, benefits, employment and skills and mental health and wellbeing. Please share this information with your staff and parents.

Attendance update:

We are working in partnership with parents, carers and Bristol City Council to ensure all of our pupils maximise their attendance. We would like to thank parents and carers for the work you have done in ensuring your children have received education over the last few challenging years due to the pandemic. The usual rules on school attendance continue to apply, including:

- parents' duty to send their child to school regularly where they are of compulsory school age;
- schools' responsibilities to record attendance and follow up absence
- the availability of local authorities to use legal sanctions, including penalty notices and prosecution in court

If you are worried about your child attending school the first port of call is to discuss your concerns with us directly. Our staff who may be able to help, and all schools work closely with health and council teams who may also be able to help if needed. If you need to request time off for exceptional circumstance, please ask Miss Sims for a request of absence form. We would like to remind you that only requests for exceptional circumstances will be authorised. If your request is unauthorised, the absence will be looked at and if your child has more than 4 days off within a 10 week period, you could receive a penalty notice.

Class	Yearly Attendance	This week's attendance	Late sessions this week
Reception	95.1%	90.4%	9
Year 1	87.2%	81.9%	12
Year 2	94.6%	95.4%	13
Year 3	91.8%	92.5%	12
Year 4	94.2%	92.7%	7
Year 5	97.5%	96.5%	11
Year 6	95.5%	84.8%	9
Total	93.7%	90.9%	73

Thank you to those who attend regularly. Please remember to phone the school office if your child is going to be absent. If we do not hear from you, we will ring you and then may also make a home visit if we are unable to contact you.

Thank you to those who arrive on time. Remember, children can go straight to class from 8:45am or attend breakfast club from 8am if necessary. If we receive pupil premium funding for your child then breakfast club is free. If your child is constantly late to school this can affect their self-esteem and they could be missing out on valuable reading, phonics or Maths activities and interventions.

When your child is absent from school, please ensure you have contacted the school office rather than teachers or Mrs Kingston.

If your child has low attendance and you would like to make an appointment and create an action plan for the rest of the year, please speak to Miss Sims. We understand that it is only the start of Term 2 and a few absences does amount to more percentage missed but we have a duty to inform you when your child has low attendance throughout the academic year. We hope that we can work with parents and support them to improve attendance.
