Headteacher: Mrs.J.Kingston

1st July 2022

Dear Parent/Carer,

This week:

Year 2 shared their final KS1 assembly today. They talked about their learning about habitats in science and showed us their penguin masks. For their learning about Mbale in Uganda, they sang an African call and response song accompanied by their own instruments. They made us so proud as they all sang beautifully, showed us a fun dance and spoke with confidence.

On Monday, our Year 5 children went to St Bernedette secondary school to take part in some science lessons. Once again, they impressed the secondary teachers with their science knowledge. They participated well using new equipment in the "Super lab" and were able to work with older pupils and work scientifically. Lots of fun was had by all. Also, this week Year 5 took part in a coding workshop. It all started with the premiss of being bored in the summer holidays and creating something to generate ideas for what to do. The children used a coding program with 6 or 7 ideas and programmed a small piece of tech that generated an idea at random. They worked hard and concentrated well. Thank you to Judith's Mum in Reception for coming in for the workshop.

Collecting Children Early:

We have had a lot of parents requesting to collect their children early recently. I would like to remind you that you can only collect your child early from school if they have an appointment or for an exceptional circumstance. From now on, we will require written evidence of the appointment.

Hot Weather:

Now that the hot weather is here, please make sure all children come in with sun cream on, a sun hat and has a water bottle with them.

Parking:

I sent an email last week reminding you all about safe parking outside school at drop off and collection times. Please do not park on the double yellow lines outside or opposite the school. I do not want to receive any more emails of complaint from local residents!

Governors Competition:

Please see the attached document for information on the Governor's writing competition. The deadline is now Friday 8th July.

PTFA Events:

Please see the attached flyer for the term 6 PTFA events. We hope to see many parents at tonight's Bingo night.

After School Clubs

We have sent out the link to book After School Clubs for September from Premiere Education who will be running our after-school club room sessions. Please book these sessions before the start of term to avoid disappointment. Next week we will send out a list of clubs for September that our staff will be running. Everyone will need to book these clubs on the school app as we only have a certain number of children who can join. Miss Sims will not be able to book children on for you. This makes it fair and on a first come first served basis. If you need Miss Sims to show you how to book via the app, please ask for her help. You will also have to book breakfast club on the app.

Little Princess Trust Charity:

Mia in Year 2 is having her hair cut to raise money for the Little Princess Trust Charity. If you would like to donate, we have a collection box at the office or use the Go Fund me link:

https://www.gofundme.com/f/dfmk58-little-princess-trust?utm_source=customer&utm_medium=copy_link&utm_campaign=p_cf+share-flow-1

Free Holiday Activities:

Families can now find free and paid for school holiday activities via the new Your Holiday Hub (YHH) website: [Your Holiday Hub Bristol - Your Holiday Hub Bristol](#) The popular YHH programme is returning this summer offering children and young people hundreds of free, fun activities across Bristol over the six-week summer holiday. The new website means families can now search for school holiday activities - including free YHH places for children on free school meals (FSM) as well as paid for activities and clubs. The new website makes it easier for families in Bristol to find holiday activities, all in one place, by conveniently searching what's available by location, age, or activity. Organisations offering activities can also access resources on the website as well as input and update the activities and clubs they are providing over the school holidays. The website will be updated for each holiday to reflect which activities are available over the summer, winter, and Easter school holidays. YHH activities include cookery classes, sports, drama and learning about wildlife and the environment, and each four-hour holiday activity also includes a nutritious meal and food education.

Attendance update:

We are working in partnership with parents, carers and Bristol City Council to ensure all of our pupils maximise their attendance. We would like to thank parents and carers for the work you have done in ensuring your children have received education over the last few challenging years due to the pandemic. Now that the circumstances have changed, it is vital for all children to return to schools and other settings to minimise as far as possible the longer-term impact of the pandemic on their education, wellbeing and wider development. The usual rules on school attendance continue to apply, including:

- parents' duty to send their child to school regularly where they are of compulsory school age;
- schools' responsibilities to record attendance and follow up absence
- the availability of local authorities to use legal sanctions, including penalty notices and prosecution in court.

If you are worried about your child attending school the first port of call is to discuss your concerns with us directly. Our staff who may be able to help, and all schools work closely with health and council teams who may also be able to help if needed.

We have had a lot of request of absence forms handed in within the last few weeks. We would like to remind you that only requests for exceptional circumstances will be authorised. If your request is unauthorised, the absence will be looked at and if your child has more than 4 days off within a 10 week period, you could receive a penalty notice.

Class	Yearly Attendance	This week's attendance	Late sessions this week
Reception	89.5%	78.1%	12
Year 1	90.8%	96.4%	11
Year 2	89.7%	92.3%	11
Year 3	93.3%	98.5%	10
Year 4	94.0%	93.8%	8
Year 5	91.6%	85.2%	4
Year 6	89.9%	95.4%	11
Total	91.3%	91.3%	67

Thank you to those who attend regularly. Please remember to phone the school office if your child is going to be absent. If we do not hear from you, we will ring you and then may also make a home visit if we are unable to contact you.

Thank you to those who arrive on time. Remember, children can go straight to class from 8:45am or attend breakfast club from 8am if necessary. If we receive pupil premium funding for your child then breakfast club is free. If your child is constantly late to school this can affect their self esteem and they could be missing out on valuable reading, phonics or Maths activities and interventions.

However, please be aware of waiting 48 hours before your child returns to school if your child has had a tummy bug and if they have symptoms of covid, we advise for you to lateral flow test them before leaving for school.

Take care,

J. Kingston

Mrs Kingston.

Important Dates:**Term 6**

Wednesday 6 th July	KS1 sports morning 9.30am – 11.30am
