Headteacher: Mrs.J.Kingston

13th May 2022

Dear Parent/Carer,

This week in school:

This morning, we enjoyed Reception class Assembly on their learning from this term. They sang and spoke beautifully and showed us their lovely pictures they had drawn. It was such a happy way to start our day. I would like to thank Miss Merrifield and Mrs Matthews who worked so hard to prepare the children in Miss Stroud's absence. Unfortunately, Miss Stroud's mum was taken seriously ill on Tuesday and she had to travel to Belfast to be with her. Please pray for Miss Stroud's mum and the whole family at this difficult time.

Our Year 6 pupils sat their SATS tests this week. They all worked so hard and made us so proud. – I hope they are proud of themselves and their achievements. They all came to school each morning full of smiles and confidence ready to do their best. Thank you to Miss Fitzgerald and Mr Evans for preparing them so well.

COVID-19 vaccinations for 5 - 11 year olds now available:

We have been asked by BCC to share this information with you.

The NHS is now offering COVID-19 vaccines to children aged 5 to 11 years. Appointments are being held in dedicated children's clinics across our area and can be booked online via the [National Booking Service](#) or by calling 119. Some walk-in clinics are also available and details of these, along with information about all the vaccination options in our area, can be found at www.grabajab.net.

Children's clinics are being run by GPs, community pharmacies and the Vaccination Centre @ UWE Bristol, where themed child-friendly pods have been created to make the Centre feel welcoming for young children. Younger children receive a lower (paediatric) vaccine dose. More information about the vaccination and the effects of COVID-19 in young children can be found [here](#).

Snacks:

Please remember children are not given a government provided snack for playtime in Key Stage 2 (Years 3-6). Please provide your child with a healthy snack if you wish. A polite reminder that crisps and chocolate bars do not count as a healthy snack!

Road safety and parking:

Thank you to all those who continue to park safely around school. Remember, corners, zig zags and double yellow lines need to be kept free for safety. Unfortunately, some residents are unable to gain access to their own garages due to parents parking illegally on the double yellow lines on Dean Kane opposite the Southbank Club. Please do not park illegally around school so as to help us get on well with our neighbours. Ben, our PCSO, has asked us to let you know that they will be issuing tickets from next week for those cars parked dangerously or illegally.

Assemblies/Visitors:

Class assemblies and other events for this term have been added to the calendar. If you are able to help in your child's class with reading or other activities, please let your child's teacher know via tapestry or class dojo. Please continue to join us for stay and play/read/count sessions every Thursday from 8:40 – 9:10am. Please also join us for Celebration Assembly every Monday and all parents are welcome to all class Assemblies every Friday. We will endeavour to inform you if your child is to receive an award at Celebration Assembly.

Nut free school:

Please remember that we have a number of children with nut allergies: some airborne. This means that we need to **insist that all products sent into schools are nut free**. There are some food items you would not think contained nuts so please can all parents check labelling when making packed lunches.

Please check if all treats are nut free if you are sending them in for your child's birthday. Even cakes that say may contain nuts can be dangerous for some of our children. We are unable to give them out if this is the case.

Attendance update:

From this term, we will be working closely with our school EWO to improve attendance as the legal duty for isolation has now lapsed. There are a number of pupils who attendance is a real concern and we want to work closely with parents to improve the situation so pupils are in school as much as possible. The target for all pupils is set at 96.1% and any figure below is a concern. If your child's attendance falls below 90 %, you will be invited in for a meeting so we can plan how to improve for the rest of the year.

We have had a lot of request of absence forms handed in within the last few weeks. We would like to remind you that only requests for exceptional circumstances will be authorised. If your request is unauthorised, the absence will be looked at and if your child has more than 4 days off within a 10 week period, you could receive a penalty notice.

Class	Yearly Attendance	This week's attendance	Late sessions this week
Reception	90.4%	95.0%	7
Year 1	89.9%	97.0%	11
Year 2	89.4%	90.7%	17
Year 3	92.6%	94.1%	8
Year 4	93.9%	93.2%	10
Year 5	91.1%	94.6%	14
Year 6	88.8%	99.2%	6
Total	90.9%	94.8%	73

Thank you to those who attend regularly. Please remember to phone the school office if your child is going to be absent. If we do not hear from you, we will ring you and then may also make a home visit if we are unable to contact you.

Thank you to those who arrive on time. Remember, children can go straight to class from 8:45am or attend breakfast club from 8am if necessary. If we receive pupil premium funding for your child then breakfast club is free. If your child is constantly late to school this can affect their self esteem and they could be missing out on valuable reading, phonics or Maths activities and interventions.

However, please be aware of waiting 48 hours before your child returns to school if your child has had a tummy bug.

Finally:

Tomorrow is forecast to be a warm, sunny day. I hope you get to have a lovely day with your friends. <https://www.youtube.com/watch?v=PnZ0xdMU4yY>

Take care,

J. Kingston

Mrs Kingston.

Important Dates:

Term 5

Monday 16 th May	Year 5 Trip to Bristol Zoo
Tuesday 17 th May	Year 3 trip to Caerleon
Thursday 19 th May	Year 4 Trip to Museum
Friday 20 th May	Year 6 class assembly 9.15am
