Headteacher: Mrs J Kingston

20th March 2020.

Dear Children,

I am writing to you to firstly say thank you for your wonderful behaviour and attitudes this week. Mrs James has told me every day how amazing you have all been, so thank you.

I also want to say how sorry that I am not able to be there to see you all before we go on this early break. I am missing you all terribly and have been praying for you all.

Even though you will not be in school, members of staff can always be reached either on the school mainline: **01173772199** during the day in the next weeks and your parents have mine and Mrs James' work mobile numbers for emergencies.

I am so proud of the wonderful family we are here at Holy Cross and so I know we will continue to look out for each other in the safest but a different kind of way we can over the next few weeks.

I have written to your parents to help them organise your time during the days in the next few weeks. Try and keep to the routine of the school day and remember to exercise, keep reading and don't spend too much time on computer games. It will help you feel better.

Help your parents out by doing as they ask you the first time, remembering to wash your hands and not complaining if you have stay inside for safety. Remember your manners and treat each other well.

I understand that some of you may be worried so keep talking to family and friends. You can also ask your parents if you can ring school and talk to one of the teachers who will be in school, if that helps.

Be good. Keep washing your hands as we taught you in school and stay safe.

Please also continue to pray for all those affected by or caring for those affected by the coronavirus and that a vaccine and antibody test is in use as soon as possible.

You are all in my thoughts and prayers and I wish you all well until we are able to meet again.

Take Care,
Mrs Kingston.
