Newsletter – 26/09/2025

This week:

Year 5 had a very exciting opportunity this week to work with some artists and members of the council in designing a new memorial for Dame Emily Park. We learnt all about how, during the Victorian period, Dean Lane Pit was used for mining and all about the terrible explosion where 10 children lost their lives. We had the opportunity to 'mine' for information before helping design the memorial. What an amazing way to learn about local history!

Year 6 have spent the week baking cakes for Macmillan coffee support. Today they decorated and sold the cakes to the community and have raised a fantastic £100, thank you all for your donations and support. We are so proud of Year 6 for their baking and selling skills.

This morning Year 5 performed their class assembly all about the Victorians. They shared with us their learning about the significant changes that occurred during the era and in particular the impact of mining. They sang and performed beautifully.

Harvest Donations – Week Commencing 6th October

Dear Parents and Carers,

As part of our Harvest celebrations, we are inviting families to donate non-perishable food items during the week commencing **Monday 6th October**. Suggested donations include:

- Biscuits
- Breakfast cereals
- Long-life milk

Please **do not send any fresh or chilled products**, as we are unable to store them safely.

All donations will be gratefully received and passed on to those in need within our local community.

To mark the end of this special week, **Year 2 will be leading our Harvest Assembly**, sharing messages of thanks and the importance of giving.

Thank you for your continued support!

Admissions:

The deadline for submitting Reception class applications for next September is closed.

Please speak to Miss Sims if you need support in submitting a late application.

Please spread the word about our school with your neighbours and friends! We have spaces in some classes if you know anyone who has moved into the area or looking for a new school. Attendance update:

Throughout this academic year, Mrs Kingston and Miss Sims will be working with parents to improve attendance and support any families who need it. Please speak to Miss Sims if you would like to arrange a meeting to discuss any worries you may have.

if you need to request a leave form, please speak to Miss Sims and she will support with this. All parents need to do this in advance of the leave and need to give as much detail as possible so we can code the absence correctly. If you have 10 sessions (5 day) of unauthorised leave within a 10-week period, you will receive a penalty notice. Please see the following page on the new law for attendance.

We would like to remind parents that children are expected to attend school each day unless they are too unwell. Please use this link from the NHS: <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>. Also, there are times when children will be absent from school for an exceptional circumstance. Parents need to inform the school prior to the absence and complete a leave of absence form which is available at the school office and on the school website. Please remember to phone the school office if your child is going to be absent, do not use Class Dojo. If we do not hear from you, we will ring you and then may also make a home visit if we are unable to contact you.

Thank you to those who arrive on time. Remember, children can go straight to class from 8:45am or attend breakfast club from 8am if necessary. If we receive pupil premium funding for your child then breakfast club is free. If your child is constantly late to school this can affect their self-esteem and they could be missing out on valuable reading, phonics or Maths activities and interventions. When your child is absent from school, please ensure you have contacted the school office rather than teachers or Mrs Kingston. If your child is later than 9.30am this is classed as an absence and will be unauthorised. Please see the next page for some more information on unauthorised absences.

Class	Yearly Attendance	This week's attendance	Late sessions this week
Reception	89.5%	95.2%	3
Year 1	90.9%	85.4%	4
Year 2	95.2%	91.7%	6

As Reception class have got the highest attendance they will receive a non-uniform day on Friday 3rd October. Well done Reception Class!

School Attendance: The law is changing

From 19th August 2024

Penalty Notice Fines for School Attendance are changing

The government is introducing a new National Framework for Penalty Notices

5 days of unauthorised absence

Penalty Notice fines may be issued for any term-time absences that are unauthorised (for example, a 5-day term-time holiday) - whether these absences are taken consecutively or cumulatively over a rolling period of 10 school weeks

10 sessions of unauthorised absence in any 10-week period

Penalty Notice fines will also be considered when there have been 10 sessions of unauthorised absence in any rolling period of 10 school weeks

**A school day has 2 sessions:
1 morning and 1 afternoon session per day**

A **school week** means any week in which there is at least one school session. The threshold can be met with any combination of unauthorised absence (e.g. 6 sessions of holiday plus 4 sessions of arriving late after the register closes all within 10 school weeks). These sessions can be consecutive (e.g. 10 sessions of holiday in one week) or not (e.g. 6 sessions of unauthorised absence taken in 1 week and 1 per week for the next 4 weeks). The period of 10 school weeks can also span different terms or school years (e.g. 2 sessions of unauthorised absence in the Summer Term and a further 8 within the Autumn Term).

What is a Penalty Notice?

A Penalty Notice is an out of court settlement which is intended to change behaviour without the need for criminal prosecution. If repeated penalty notices are being issued and they are not working to change behaviour they are unlikely to be most appropriate tool. Therefore, from August 2024, only 2 Penalty Notices can be issued to the same parent in respect of the same child within a 3-year rolling period and any second Penalty Notice within that period is charged at a higher rate. Any further offences may result in criminal prosecution.

The law will be clear that where a Penalty Notice threshold is met – in each individual case, the school **must** consider if a Penalty Notice is appropriate

First Offence

The first time a Penalty Notice is issued for a Term-Time Leave of Absence or irregular attendance, the amount will be:

£160 per parent, per child (if paid within 28 days)

Reduced to: **£80** per parent, per child if paid within 21 days

Second Offence (in a 3-year rolling period)

The second time a Penalty Notice is issued for a Term-Time Leave of Absence or irregular attendance to the **same parent** for the **same child** the amount will be:

£160 per parent, per child (if paid within 28 days)

There is no reduction in the amount.

Third Offence or Any Further Offences (in a 3-year rolling period)

The third time an offence is committed for a Term-Time Leave of Absence or irregular attendance by the **same parent** for the **same child** (including those by other Local Authorities) a Penalty Notice will NOT be issued but will be referred to Bristol City Council's Education Welfare service for **Prosecution** which may result in fines of upto **£2,500** per parent, per child.

Cases found guilty in a Magistrate's Court can show on a parent's future DBS certificate.

Bristol City Council have the discretion to issue Penalty Notice fines before the above threshold is met in cases where parents are deliberately avoiding the national threshold by taking several term time holidays below the threshold, or for repeated absences for birthdays or other family events.

Unchanged

Penalty Notice fines are issued **Per Parent, Per child**. This means that fines are issued to each parent, for each child who is absent. For example: If 2 siblings are absent for a term-time holiday this will result in each parent receiving 2 separate fines.

South Bristol Liveable Neighbourhoods

The consultation on the proposals for **South Bristol Liveable Neighbourhoods (SBLN)** is now live. The survey closes on **Thursday 30 October** and can be accessed [here](#). Bristol City Council are inviting parents to tell them what you think about new proposals.

Liveable Neighbourhoods aim to make streets healthier, more accessible and more pleasant by:

- **putting people first** – reducing traffic and lowering vehicle speeds to create safer, more welcoming and accessible streets. Vehicles would still be able to access all properties at any time, though some routes may change
- **prioritising health** – improving air quality and allowing more people to choose physically active travel options, like walking and cycling, and be safe doing so
- **making better community spaces** – designing calmer streets and greener areas where people can relax, children can play, and families feel safe travelling to school

You can view the feedback from last year's engagement in the [SBLN Engagement Report](#).

South Bristol Liveable Neighbourhoods

A consultation on the proposals for South Bristol Liveable Neighbourhoods is now open.

Have your say on them by **30 October 2025**.

www.bristol.gov.uk/SBLN

The poster features an illustration of a diverse group of people in a park-like setting: a person in a wheelchair, a person walking a dog, a person sitting on a bench, and a person standing. In the background, there is a large brick building and a bridge. Logos for Bristol City Council, Action Bristol, West of England Combined Authority, and the UK Government are at the bottom.

South Bristol Liveable Neighbourhoods: Have your say!

Bristol City Council needs your help to design safer and quieter streets. If you live work, visit, study or play in the BS3 area including Bedminster, Southville or Windmill Hill, have your say at: South Bristol Liveable Neighbourhoods consultation 2025

BCC want to get as many people involved as possible to help design safer and quieter streets, encouraging walking, cycling and wheeling for shorter journeys, improving air quality, enhancing the public realm and green spaces, and improving access to local high streets. Potential changes could include measures to reduce traffic taking short cuts through residential streets and near schools, improved crossings to help connect neighbourhoods, planting more trees, providing more benches and community activity spaces and improving lighting.

If you have any questions or concerns about the South Bristol Liveable Neighbourhood and how it could affect the area around the school, Bristol City Council officers will be running a flyering and drop-in session on **Thursday 2 October** outside the school gates during afternoon pick up time from 3pm-4pm.
